

**Wednesday, May 8, 2024**  
(Rain Date May 9)

Shorewood Hills Elementary School's **Spokes to School 2024** is just a few weeks away!

Join children and adults around the nation who are celebrating the benefits of bicycling, skating, scooting, and walking on National Walk, Bike, and Roll to School Day.

This event is for any and all in the neighborhood and is a fun way to show your support for safe streets, good health, sustainability, and community. Thanks for joining us!

**7:45 am:** Put on your **helmet** and ride to one of the nine meeting spots (see map)

**7:50 am:** Arrive at a meeting spot. Get your helmet checked by a Spokes Leader and listen to safety tips

**8:00 am:** Take a group ride along your "spoke" to school.

On the north side of Shorewood Hills Elementary, we'll have snacks, refreshments, and other fun **before school begins.**

**Remember your bike lock.** If you leave your bike unattended, it's at your own risk. And wear your **helmet** when biking!

If you live close to the school or have a favorite route you're confident about, you can ride there directly. If you prefer to be part of a bike train, see the map for the "spoke" meeting points:

- 1) Brown bus shelter, Eagle Heights
- 2) Bernie's Place playground
- 3) Corner of Wellesley and Columbia
- 4) Picnic tables near the tennis courts
- 5) Corner of Maple Terrace and Locust Dr
- 6) Corner of Tally Ho and Highbury
- 7) Corner of Blackhawk and Sunset
- 8) Trailhead to boat house
- 9) Four Corners bus stop
